*****Students in Company classes** will be participating in competitions throughout the 2010--2011 dance year. All Company students are expected to participate. Choreography for competition dances is created based on the number of students in the class. When students are unable for any reason to participate, it is a hardship to others to relearn spacing and/or choreography as well as the teacher to have to re-choreograph a part or entire dance. Company classes, therefore, require an increased level of commitment from students and families.

Company classes may require extra expenses for items including, but not limited to, additional instructor fees, matching jewelry, hair accessories, and matching make-up to create a more professional look on stage. You will be notified of these expenses, if needed, as soon as they become available and they will be due before that competition.

Competition fees vary depending on the competition and are set by the competition's directors. *Premier School of Dance* neither receives any income from competitions fees nor is paid any fees for our participation in dance competitions. You will be notified as to the competition fee(s) and due date and failure to pay these fees on time will result in the student not being allowed to participate in the designated competition.

NOTE: Students taking 3 company classes will be allowed to take a Pointe class and/or a Technique class for no additional charge. All company Jazz & Ballet/Lyrical students are required to attend at least **two** Technique classes per month.

...Also, there will be an additional fee of **\$20.00** charged per Company dancer/month for any Small Group Company rehearsals.

3. Methods of Payment: We accept Cash, Check, Visa, MasterCard or Discover

Cash payments must be presented to an office helper and not left in the payment box. You will receive a written receipt for a cash payment.

Check payments can be left in the payment box in the lobby. **Please** be sure to write in the check's "memo" section the dance student's first and last name and what the payment is for.

Credit Card payments can be made in person or by phone and you will receive a receipt...please see our note above about the due date for tuition payments made by credit cards.

Late Fee: A \$10.00 Late Fee will be assessed to any Tuition payment made after the 7th of the month...please **add** this \$10.00 late fee to your tuition payment.

Returned Check Fee: There is a \$40.00 NSF charge on all returned checks.

Class and individual pictures will be taken at the auditorium during rehearsals. Attendance at dress rehearsal is **mandatory**. Recital Fee: The one-time Recital Fee is \$25.00 per **family** and does include **3** free tickets per family. This fee helps defray the cost of renting the facility, technicians, stage crew, printing fees, DJ fees, awards, etc. The Recital Fee will be billed on April 15th, 2011 and due by May 5, 2010. The Recital Fee is non-refundable.

Recital Tickets: Recital tickets can be picked up and additional tickets purchased starting May 7th for \$10.00 each/ per show.

Recital Costumes: We are dealing with costume companies that require full payment when the order is placed and that is why we must have Non Company Costume Fees paid in full by December 1st, 2010 and Company Costume Fees paid in full by November 5th, 2010. No refunds will be given once costumes are ordered. Any costume not claimed after 30 days of the recital will become property of *Premier School of Dance*. The recital costumes for Non Company students will be ordered in early January and Company student costumes are ordered as needed for competitions and will also be worn in the recital. NOTE: Costume costs can add up quickly and we encourage you to pay extra towards your costume(s) during the Fall months so you're are not stuck with a large costume bill balance at the costume payment deadline dates.

Costume information for all NON-COMPANY students: Measurements for ALL Non Company dance students will take place in November. It is very important that you are attending your dance classes so you will be measured and your costumes are correctly ordered. Please know that all recital costume fees need to be paid in full by December 1st, 2009 or we **cannot** order your costumes. Also, Non Company dance accounts must be paid and current before your recital costumes can be ordered.

•**All regular Non Company dance classes pay \$60.00** for each class costume ordered. For example: If a student takes Preschool or Youth Ballet/Tap/Jazz classes then 3 costumes will be ordered at \$60.00 each for a total recital costume fee of \$180.00. All Non Company costume fees are due by December 1st, 2010.

•**Intermediate and Advanced Ballet, Tap and Jazz/Hip Hop Non Company dance classes pay \$65.00** for each costume ordered and all costume fees are due by December 1st, 2010. Any Intermediate and Advanced Ballet class will perform both a Classical and Lyrical number and Intermediate and Advanced Tap classes will perform both a Tap and a Clogging number. In these Intermediate and Advanced dance classes there will be two costumes ordered for each class and will be dealt with on an individual class basis. Example: If a student takes a Youth or Teen Intermediate or Advanced Ballet & Tap classes and also a Jazz/Hip Hop class then 5 costumes will be ordered at \$65.00 each for a total recital costume fee of \$325.00. Costume fees can add up quickly, especially with students taking multiple classes. We will gladly accept installment payments to be applied toward your costume fee balance up until the due date of December 1st, 2010.

Costume Information for all COMPANY Students: Please know that all Company costumes need to be paid in full by November 5th, 2010. **All Company classes pay \$75.00** per costume for each form of dance. Company students will be notified if their costumes cost more or if any accessory fees are due.

5. Attendance: All level dancers should be attending their classes on a regular basis. All level dancers are also expected to dress appropriately for all classes, be respectful to all teachers and classmates, and to the facility. We also ask that all dancers refrain from excessive behavior or levels of conversation in between classes or while waiting to be picked up...no running or horseplay is ever allowed throughout our facility. The progress of the individual student, as well as the class, depends on everyone's commitment.

Absence: If a student is going to be absent, you should let the studio know by either calling the office at 851-2570 or e-mail at premierdance@nc.rr.com. Excessive absences could result in the student not performing in competitions and/or recital.

Make-up Classes: There can be **no refunds** for missed classes; however students will be allowed to make up classes within one month if possible. Students may make up missed classes by attending another class that is comparable to their missed dance class. Please understand that attending a make-up dance class may not give the student the same benefit of attending her/his regular dance class. Make-up classes may be taken ahead of time if the student knows she/he will be absent. Check with your regular class dance teacher or the office staff to determine a comparable class to attend. Students who just "show up" to take a make-up class without prior confirmation may be asked to attend another time.

Tardiness: All level dance students should arrive and be ready for their class at least 5 minutes before their scheduled class time. When a class is completed and the teacher dismisses students, all students should quietly exit from the dance space so the next class may begin on time. Students who are waiting for their class to begin or waiting to be picked up must remain in the lobby, TV area, or dressing room area so not to interrupt a class in progress.

6. Miscellaneous:

However, if valuables must remain with the student, they should be taken into class and not left in the lobby or dressing area. *Premier School of Dance* is not responsible for any private property lost, stolen, or damaged while in the facility. We do provide lockers in the girl's dressing area and we request you store your belongings there during class times. Lockers will accept a standard combination or key lock that may be used in the dressing room; however locks must be provided by the student and cannot be left on any locker when said student is not in the facility. Since NO males are allowed in the girl's dressing area, male students may leave any needed item(s) in the office area.

Cell phones: Cell phones are allowed in the facility, but **cannot be used by students during any instruction time**. Teachers do allow students to step out of the dance area to make a needed phone call.

Private Lessons: Private Lessons are available at *Premier School of Dance*, but any private instruction time must be taken as time allows among the regularly scheduled dance classes. Students who desire or need additional help with their regular class routines or extra work on technique are encouraged to request private lessons. Please leave your request with an office staff member or by e-mail at premierdance@nc.rr.com.

Parent Conduct: Please show respect for the teachers and the students by **not** entering the individual dance studios during a class time. Also, teachers can't stay on their class schedule if they talk to parents and/or students between classes. If you have questions or concerns for a teacher, please ask an office staff member, or leave a message for that teacher with an office staff member or in the payment box located in the lobby. Your message will be delivered in a timely manner. Doing this will give teachers the opportunity to give you their full attention when they do respond back to you. We also ask all parents to please reinforce our expectations regarding behavior and responsibility. Siblings must be kept under strict supervision, as horseplay and running throughout the facility will be not allowed. (Please also read #4. Attendance)

Class Withdrawal Policy:

Early withdrawal from a class before the completion of the year requires a 30-day written withdrawal notice to the office manager, Lisa Cumbea. Please do not leave a phone message or rely on the instructor to notify the office. The parent/guardian continues to be responsible for tuition during the 30-day notice period.

Communication:

Please know that communication between the studio director, teachers, staff, parents and students is of utmost importance and you are welcome to call anytime: 851-2570, send us an e-mail at premierdance@nc.rr.com or leave a note with an office staff or leave a note in the payment box located in the lobby.

Again, your questions and/or concerns will be answered as soon as possible. *Premier School of Dance* will often send out newsletters which will include information regarding studio events, dates, etc. that everyone needs to know. A hardcopy of any newsletter can also be found on the counter in the lobby. It is very important that everyone please take the time to thoroughly read the newsletter to keep up with what's happening at the studio. Parents please know that if a teacher or staff member is unaware of parental or student concerns, steps cannot be taken to find an appropriate answer to questions or solution for a problem.

- Lisa Cumbea is our Office Manager and is normally in the office Tuesday and Thursday mornings 9:30am- 12:30pm and on Wednesday nights. .
